Material Safety Data Sheet:

**Backfill**

**Section 1: Product Information**

T.D.C Classification	Not Regulated
Product Identification Number	N/A
CAS #	N/A
Packing Group	N/A
Product Name	Backfill Mixture
WHMIS Classification	This is not a controlled product.
Chemical Formula	N/A
Chemical Family	N/A
Product Use	Industrial Use only.
Available Packaging	50 lb bags
Supplier	Kissner Salts & Chemicals 32 Cherry Blossom Road Cambridge, ON N3H 4R7 (519) 650-9998

**Section 2: Hazardous Ingredients**

Non-Hazardous Ingredients	CAS #	Percentage	ACGIH/TLV
Calcium Sulphate	10101-41-4	75%	not applicable
Sodium Bentonite	1302-78-9	20%	not available
Sodium Sulphate	7757-82-6	5%	not listed

**Section 3: Physical Data**

Physical State	Solid
Appearance & Odor	Tan to grey, odorless powder
Odor Threshold	N/A
Specific Gravity (Water = 1)	2.32 to 2.55
Vapor Pressure (MMHG)	N/A
Vapor Density (Air = 1)	N/A
Evaporation Rate	N/A
Boiling Point	N/A
Melting Point	N/A
pH	7.0 - 10
Coefficient of Water/Oil Distribution	N/A

**Section 4: Fire and Explosion Data**

Hazardous Conditions	Minimize air-borne spreading of dust. Spilled material may cause surfaces to become slippery.
Fire Extinguishing Procedures	This product is non-flammable.
Flash Point	Non-combustible, does not burn
Upper Flammable Limit	N/A
Lower Flammable Limit	N/A
Auto-ignition Temperature	N/A
Hazardous Combustion Products	N/A

Sensitivity to mechanical impact	None
Sensitivity to static discharge	Non-combustible product

**Section 5: Reactivity Data**

Chemical Stability	Stable
Hazardous Polymerization	Will not occur
Conditions of Reactivity	None
Hazardous Decomposition	None

**Section 6: Toxicological Properties**

Route of entry to body	Eyes, skin, ingestion, inhalation
Effects of acute exposure to product	Backfill may be considered a nuisance particulate. High exposure to dust may produce irritation of eyes and respiratory system.
Effects of chronic exposure to product	None known
Exposure limits	Not established for this product.
Irritancy of product	See above
Sensitization of product	None known
Carcinogenicity of product	The ingredients of this product are not classified as carcinogenic by ACGIH or IARC, not regulated as carcinogens by OSHA, and not listed as carcinogens by ITP.
Reproductive toxicity	No information is available and no adverse reproductive effects are anticipated.
Teratogenicity	No information is available and no adverse teratogenic/embryo toxic effects are anticipated.
Mutagenicity	No information is available and no adverse mutagenic effects are anticipated.
Synergistic effects	None known
LD/50	Not determined
LC/50	Not determined

**Section 7: Preventative Measures**

Personal protective equipment required	<b>Respiratory:</b> use NIOSH approved particulate respirator as appropriate for nuisance dust. <b>Skin:</b> gloves are not required, but may be desirable under certain working conditions. <b>Eye protection:</b> safety glasses or goggles as needed. <b>Other protective equipment:</b> none.
Specific engineering controls required	N/A
Spill/Leak procedures	Remove by sweeping or vacuum. Do not wash down drains.
Waste disposal	In accordance with federal, provincial and local laws. Follow company policies and procedures.
Storage & Handling requirements	Dew point conditions or other conditions causing presence of moisture will harden calcium sulphate during storage.
Special shipping information	See section 1: "Product Information"

#### Section 8: First Aid Measure

Eye contact	Flush with water for 15 minutes, lifting upper and lower lids occasionally, obtain medical attention.
Skin contact	Wash contaminated area with soap and water. Apply a moisturizing hand cream.
Ingestion	Only induce vomiting at the instruction of a physician. Keep person warm, quiet and obtain medical attention.
Inhalation	If affected, remove to fresh air. If breathing is difficult, administer oxygen if trained. If breathing has stopped, give artificial respiration, preferably mouth to mouth. Keep person warm, quiet and obtain medical attention.

#### Section 9: Preparation Information

Emergency Phone Number	(613) 996-6666 (Canutee)
Date	March 2008
Prepared By	Tanya Goreing
